BONUS POSTER

LEAVE NO TRACE

The 7 principles every camper should live by

1. **Plan Ahead and Prepare**
   Know the rules, check the weather, pack right.

2. **Travel on Durable Surfaces**
   Stay on trails and established campsites.

3. **Dispose of Waste Properly**
   Pack it in, pack it out. Bury human waste 6-8 inches deep.

4. **Leave What You Find**
   Take only photos. Leave rocks, plants and artifacts.

5. **Minimize Campfire Impact**
   Use existing fire rings or a stove. Keep fires small.

6. **Respect Wildlife**
   Observe from a distance. Never feed animals.

7. **Be Considerate of Others**
   Keep noise down. Share the trail and the quiet.

Take only photos. Leave only footprints.
